

Dinner for Decades

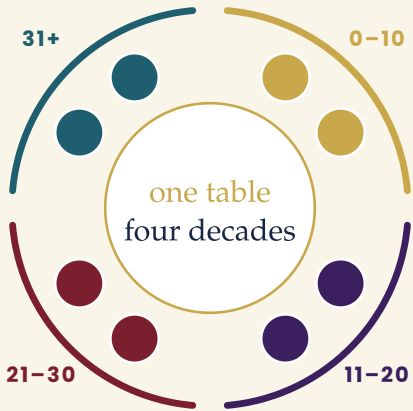

An evening of dinner and conversation for married couples

Every table seats four couples — one married under ten years, one under twenty, one under thirty, and one married over thirty. You will spend the evening with three couples you have probably never sat down with, an envelope of good questions between you, and dinner cooked and served by the Knights.

No speaker. No seminar. Just supper and the people at your table.

[Date] at [Venue] \$[00] per couple · includes dinner
[Time]

Register by [deadline] at [yoursite.org] or in the parish office. Seating is arranged in advance by decade, so we cannot add couples at the door.

Married three months or fifty-three years — you belong at this table.
